⁴Division of Fish and Wildlife, Saipan, Commonwealth of the Northern Mariana Islands, USA

⁵Hanoi Metropolitan University, Hanoi, Viet Nam

Vol. 31, Issue 1, 1–16

In the recently published article Duc et al. (2018), Fig. 3 showing the results of seasonal variation in the vertical profiles of water temperature (°C), salinity (psu) and turbidity (NTU) along an axis from station TL4 to TL9 in the Tien Yen River from November 2014 to March 2015 was wrong. The correct version of Fig. 3 is shown below.

*Corresponding author. E-mail: hautd@hnue.edu.vn

The correct version of **Fig. 3**.
